

British Connemara Pony Society Stallion Performance Test

1. To pass the BCPS Stallion Performance Test, a stallion must be placed 1st to 6th in a One Day Event where he has had to jump a 3' show jumping and cross country course and he must have jumped a clear round in both the cross country and show jumping phases. In addition to the above, he must have been placed 1st to 6th in a Novice dressage test.
2. The placings must be gained at competitions/events organised by, or affiliated to one of the organisations listed in the Society's Performance Award Scheme rules.
3. A stallion need not have a Society Performance Award Scheme Competition Card but evidence of the placing is required giving details of the competition and placing as required on the PAS card signed by the secretary of the event.
4. A stallion may be awarded a "pass" retrospectively where it can be proved that he has gained the necessary placings.
