NOTES

The regional coordinator will be in touch with you once your application has been received and will be able to give you the time of the inspection and directions to the venue.

We apologise for any inconvenience but, due to the lack of availability of inspectors, we are unable to offer home inspections in a number of regions and therefore only exceptional circumstances will be taken into consideration for any such requests. If you are unable to travel to one of the organised venues, please send a letter into the office detailing your need for a home inspection. This will be passed onto the regional representatives who will consider your request and advise if a home visit can be organised. If a home visit is organised a fee of **£100 will be payable in advance** (in addition to the application fee) to cover administration and Inspectors expenses.

YOUR FILLY MUST BE REGISTERED IN YOUR NAME PRIOR TO THE INSPECTION.
