

BCPS PERFORMANCE AWARD SCHEME RULES: amendments December 2018

Phyllis Meade Award – this will go to the British-bred dam of the highest placed British-bred pony, reflecting the original aim of the Scheme to promote British breeding.

The introduction of Gold, Silver and Bronze tiers last year was well received, and these are being retained, with one amendment:

Gold is still 4000+ points, but we have added *At least 30% of total points to be won at affiliated competitions.*

Consequently, **Silver** is now: under 4000 points. Some or all points from affiliated competitions, *or 4000+ points but under 30% of total from affiliated competitions.*

The other amendments are:

- New section 7 (c) if claiming points for affiliated competitions, you must submit a copy of the animal's competition record from the relevant governing body (BE, BD etc). These results will not need a signature on the card.
- Pages 6-7: Scoring for competitions involving jumping (excluding WHP): Half points if the course (first round if applicable) was 60cm (2ft) or under.

Please note Julia Woods' change of address when applying for or returning cards:
Cockerel Inn Farm, 35 Prickwillow Road, Isleham, Ely, Cambs CB7 5RH
