The Tam O'Shanter Breeding Championship was originally started by Carole Prentice of the Scottsway Stud, to promote British Connemara pony breeding.

The British Connemara Pony Society (BCPS)/Eastern Connemara Group are pleased to award its **Special Tam O'Shanter Breeding Qualifier Cards** to affiliated shows, under the following conditions:-

- Classes must be confined to ponies registered in the appropriate section of the BCPS Stud Book.
- The BCPS does not require that exhibitors are members of the Society
- Please see the separate attachment giving the BCPS Showing Rules found on the BCPS website www.britishconnemaras.co.uk under 'Shows & Competitions' click on 'Qualifiers'

Judging Rules

- Where there are two or more in-hand classes for pure-bred Connemara ponies, these classes must be judged by judge(s) on the official list of the BCPS.
- For those shows having only one pure-bred Connemara Class a BCPS Panel Judge would be preferred but if that is not possible an NPS M&M Panel Judge would be acceptable.
- Mixed Mountain & Moorland classes must be judged by a judge (or judges) on the official list of either the BCPS or NPS Mixed Mountain & Moorland Panel.
